Advertise Your Products and Business To Industrial New York

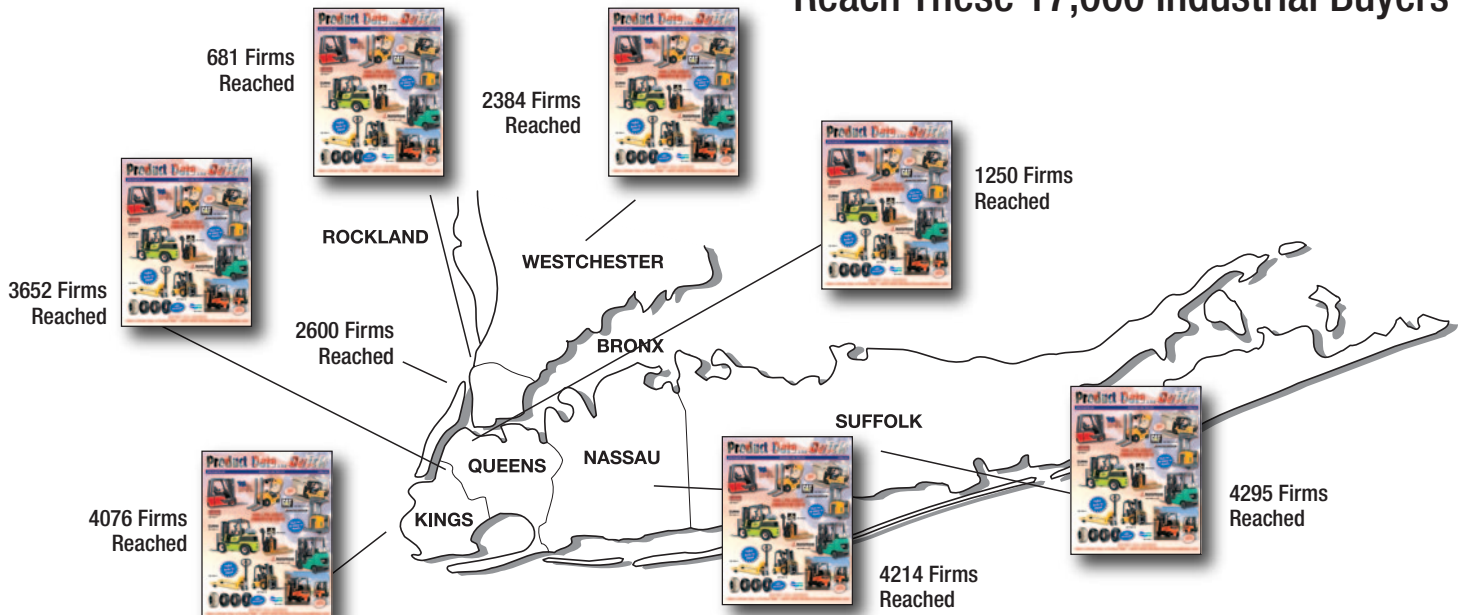

MR. PDQ says...

Product Data...Quick is a proven concept (since 1968) of LOW COST advertising to the Industrial Community on a LOCAL and REGIONAL basis. **Product Data...Quick** saturates the region and reaches virtually every one of the industrial establishments located in that area. Advertising

RESULTS are QUICK, MEASURABLE, (via telephone calls), and COST EFFECTIVE (as little as 1¢ per plant reached).

FACILITY LAYOUT SERVICES

ARE YOU OUT OF SPACE, OR CONSIDERING MOVING? OUR LAYOUT SERVICES CAN HELP YOU...

- Maximize or better utilize the space within your existing facility.
- Determine if a new facility is better suited to your needs.
- Improve the efficiency of your material handling including; receiving, order picking, packing and shipping.

WE ARE WAREHOUSE STORAGE SPECIALISTS

- We design, sell and install complete warehouse systems.
- Once your project has been designed, we can handle the entire project. We will shop the pricing and work on a cost plus percentage arrangement to get you the best possible pricing. We will also project manage the entire job.
- We also sell pallet rack, cantilever rack, conveyor, shelving, security enclosures, barrier rail and more!

Recently completed projects:

- **Westbury, NY** – Completely re-designed an existing 22,500 sq. ft. warehouse.

- **Hauppauge, NY** – Designed a new 30,000 sq. ft. warehouse extension.
- **Westbury, NY** – Designed a new 8,000 sq. ft. warehouse.

- **Port Washington, NY** – Designed a new 7,000 sq. ft. warehouse.
- **Brooklyn, NY** – Re-designed an existing 40,000 sq. ft. warehouse.

SAFETY SERVICES

After the class, an operator test is conducted

Personnel are familiarized with your MEWPs

**All forklift operators must be trained and certified every 3 years.
All MEWP operators, occupants & supervisors MUST BE TRAINED!**

John P. Noto

Our founder, John P. Noto, has been in the forklift and mobile elevating work platform industry since 1970. He has served as an expert witness in many accident lawsuits. As of March 2023 Noto Industrial has trained over 22,000 people.

- *All courses are conducted at your facility at a date and time that is convenient for you.
- *Our training also includes what the employer must do to keep themselves from OSHA citations.
- *Call or email for pricing and availability.
